ARE YOU A Standard WINNER TODAY?

**Are you one of our Lucky Numbers winners?**

To find out if you have won a cash prize all you have to do is check your numbers against the ones printed on the advertisements on this page and see if they match. Three adverts will have a set of winning numbers followed by the prize value. If those numbers match the numbers you have registered with the Wilts & Gos Standard then you are one of this week's lucky winners. To make your claim you must have all three numbers in the set. Make sure you have your numbers ready when you telephone to claim your prize. Claims can be made by telephone on 01285 642642 between 9am and 12 noon on Tuesday 14th October 2014 for this week's game. Remember if you haven't won this week there are THREE more weeks to still be in with a chance so keep buying your Wilts & Gos Standard on Thursdays.

GOOD LUCK!

No responsibility can be accepted for failure to contact us. If there is more than one winner for each prize the money will be shared. Remember you must have already REGISTERED your Lucky Numbers with the Wilts & Gos Standard to play this game.
